Subject: Blurb on private water wells
Date: Sunday, September 10, 2017 9:32:02 AM

Pursuant to our discussion this morning.

EPA has confirmed 21 of the 39 disaster declaration counties are currently providing private well testing for area residents. Four counties are offering free testing. The other seventeen are providing low cost (\$16.50) well testing through the Department of Health. EPA is assessing if the remaining 18 counties need additional support.
